ONLINE BANKER/CALL 24

When you become a member of GE Credit Union, you are automatically enrolled for Online Banker and Call 24 access to your account electronically.

To begin using either service, call the Call 24 system at 800.883.7401 and create a PIN (personal identification number). It can be between 4 and 15 digits long.

PLEASE NOTE: Before you can access Online Banker for the first time, you will need to go through the PIN setup and verification process discussed above. The first time you log onto Online Banker you will use your account number and the PIN you setup on Call 24. After entering the site, you will be prompted to create an online banking password.
