Changes to Online Banking Interface

EXISTING INTERFACE

NEW INTERFACE *(effective Sep. 15, 2025)*
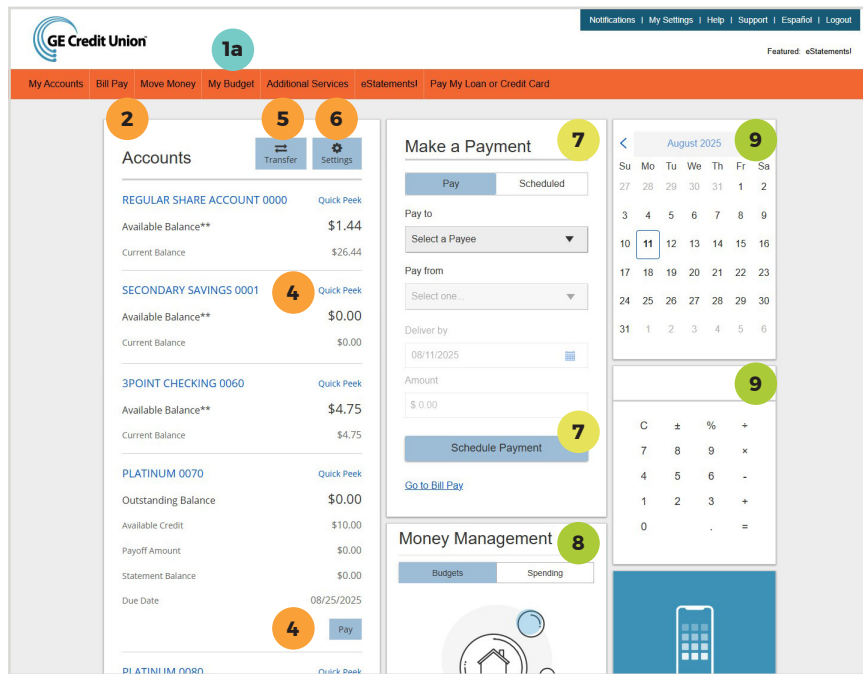

## MAIN NAVIGATION

1a Main navigation: The main navigation bar is blue in the new system. The *My Budget* navigation link has been moved to the right in the navigation bar.

1b A new link to *Applications, Forms & Disclosures* has been added to the navigation bar. This item links to a webpage on our website.

ACCOUNTS AREA

2 The *Accounts* tile, which previously listed all accounts sorted by account type, has been replaced with a new tally of all deposit and loan accounts plus separate tiles for each account. The account tiles can be renamed, reordered, and turned on/off by the member.

3 The *Internal* and *External Accounts* areas can be expanded or collapsed.

4 The *Quick Peek* and *Pay* functionalities and account details have been moved. Anything not visible within the account tile can be accessed using the *Show more* link. The content of the *Show more* area changes depending on account type:
  - For deposit accounts, the last 5 transactions will be shown.
  - For loans, payoff amount and statement balance will be visible.

5 The *Transfer* button has been replaced by the *Internal GECU Account Transfers* hot button. For transfers to other financial institutions, use the *Move Money* navigation link.

6 The *Settings* button has been replaced by the *Customize Home Screen* button (top right of the screen). The new *Customize Home Screen* menu has additional options including:
  - Name displayed in the greeting area
  - Widgets (Budget, Spending, Bill Pay) may be turned on and off.
  - Accounts can be renamed and set to display or hide from the on-screen list.
  - Changes made in Online Banking will propagate to Mobile Banking and vice-versa.

MAKE A PAYMENT

7 The *Make a Payment* tile and *Schedule Payment* button been replaced.

7a To pay an internal GE Credit Union loan from a non-GE Credit Union account, use the *3Point Pay* button or the *Move Money* navigation item.

7b To pay an internal GE Credit Union loan from a GE Credit Union account, use the *Internal GECU Account Transfers* button, click on the *Pay* button within the loan tile, or use the *Pay My Loan or Credit Card* navigation link.

7c To pay a bill (not to GE Credit Union), use the new *Bill Pay* button or *Bill Pay* navigation link.

7d Send money to friends and family with Zelle® through the new *Send Money with Zelle®* button or the *Move Money* (5) navigation item.

MONEY MANAGEMENT

8 The *Money Management* tile has been split into the *Budgets* and *Spending* pop-down items in the right-most column on the page. It can also be accessed through the navigation item (1a). Functionality within each section remains the same.
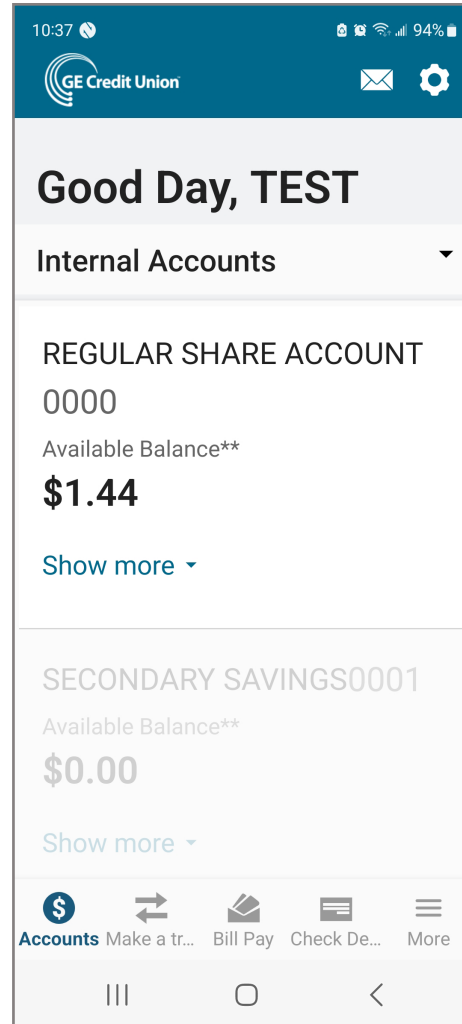

WIDGETS

9 The Calendar and Calculator widgets have been removed. Users should utilize the relevant applications on their computer.
